## PRODUCT HIGHLIGHTS

- Ruggedized pocket camcorder
- Waterproof 15ft., Shockproof 6ft. and Dustproof
- 5MP BSI CMOS sensor
- Auto Aqua mode
- Built-in USB
- 1080p Full HD Movie Recording
- Smart Background Music 2.0

**Ready... action! This tough, pocket-size powerhouse lets you catch it all.**

Portability, durability and power – that's the superstar Samsung W300 Pocket Camcorder. From poolside to the sidelines, from steamy jungles to windy deserts, the rugged design resists shock, moisture, dirt and dust. The Auto Aqua mode makes filming underwater a snap, ensuring your lens doesn't fog over. Once you've stopped recording, a built-in USB port makes it easy to transfer your footage to your computer and share online.

# W300

# W300 Pocket Camcorder

## SPECIFICATIONS

**5 Megapixel BSI CMOS sensor:** Delivers double the sensitivity of conventional CMOS sensors.

**2.3" clear pixel LCD (230k):** Lets you see all of what you are recording.

**3x digital zoom:** Brings you closer to the action.

**29.6mm wide-angle lens:** Gives you a wider shooting range from a shorter distance.

## FEATURES

**Waterproof:** Films sharp, brilliant moving pictures in up to 15ft. of water.

**Shockproof:** Withstands shock up to 6ft.

**Dustproof:** Repels dust and sand, perfect for use at the beach.

**Auto Aqua mode:** The advanced Auto Aqua mode technology takes high-quality videos in any environment, including under water (up to 3 meters).

**Built-in USB charging:** Connect directly into any USB port for direct video or photo transfer to any compatible TV, PC or other electronic devices. To charge the battery while on the go, simply plug into any USB port.

**1920x1080/30p Full HD Movie Recording (H.264):** Record your movies in high-quality Full HD.

**Smart Background Music 2.0:** Add music to your movies without overwhelming the words. The Smart Background Music feature lets you add one of the preloaded soundtracks to your video. If the system senses someone is speaking, it automatically lowers the volume of the music.

**Record/pause function:** Pause while recording, yet still create one continuous file for easy uploading to social networking sites.

**Built-in editing software (Intelli-Studio):** Plug into any PC via USB – built-in advanced editing software lets you play, edit and share files.

**Micro™SD slot:** The camcorder's external memory slot accepts both SD, SDHC and SDXC cards. Quickly and easily transfer and view images on your PC.
